Davie County Community Park (DCCP) Opening

As our DCCP Team is excited to provide this park to the community, our first priority is to keep the Davie Community safe while this project is being completed. Due to COVID-19 the park is still under-construction and has a projected completion Summer 2020. Once the Davie County Community Park is complete, we will provide opening information regarding restrictions and new guidelines. Until then due to construction, Davie County Community Park and Stadium is off limits to the general public.

We urge each family to actively social distance and remember you are “safer at home”. For questions and assistance, please contact the DCCP Team via phone at: 336-753-TEAM(8326) or via email at RecTeam@daviecountync.gov.

Please note that all information above is subject to change and dependent upon phased recovery plans.
